

PowerTools™

POWERTOOLS FREE

The PowerTools™ plugin is free to download and comes with a large set of free tools and plugins that can immediately help Mortgage Lenders using the Encompass Lending Platform to be more efficient and compliant, as well as reduce administrative overhead.

Lender Toolkit's PowerTools™ is the deployment mechanism for all of the Lender Toolkit products. It acts as a centralized hub for managing lender licenses and installations for all Lender Toolkit plugins, custom input forms, and other enhancements to the Encompass Lending Platform.

Use the PowerTools™ to:

- Browse all available tools and view pricing for the Expert, Optimized, and Enterprise subscription tiers
- License and Install Free Tools
- Install Subscription Tier Tools
- Activate and Deactivate tools easily
